

Announcement to be placed on the CVPOA web page after the July BOD meeting.

To the members of the Cypress Village Property Owners Association:

please read carefully:

Your participation is requested to assist with the balloting process for the CVPOA Annual Meeting on March 22, 2023. We will need approximately 30 volunteers to help with a variety of tasks, including assisting office staff at the sign-in table, opening envelopes, sorting and bundling ballots, counting votes for amendments and candidates, and recording results. We will also need volunteers to assist in preparing the ballot packages to be mailed out to members. This will commence in the later January time frame.

The Ballot Review Committee has been meeting and working diligently on a regular basis since the end of April to organize and streamline the balloting process.

If you volunteer, you will meet in advance as a committee to nominate a chairperson for board approval, and also will participate in training and preparation for the voting process. We know this seems very early, but we would like to ensure the entire process goes as smoothly and efficiently as possible, and that we can avoid any issues with the balloting. Most of the early work has been completed, and now we request your assistance.

If you are willing to help, please contact Ed Hanlon at roundstoneie@yahoo.com or by telephone at 518-534-8133. You may leave a message that you would like to volunteer with the balloting process, and leave your email and/or your phone number.

We thank you in advance for volunteering to make our community more effective for our members.
